

# SAPPHIRE INTERNATIONAL SCHOOL

SUBJECT: ENVIRONMENTAL SCIENCE	
CONCEPTUAL UNDERSTANDING	A
ENVIRONMENTAL SENSITIVITY	A
AWARENESS / OBSERVATION	A
ACTIVITY / PROJECT / H.W.	A

AKSHAT KUMAR is very observant and listens to most of the information being shared in the classroom sessions. He relates to and can understand most of the concepts well. He can represent his learning well through drawings. He can do his work independently and has good classification skills. He needs to develop questioning skills and be more proactive during classroom discussions.

**CLASS TEACHER'S REMARK**  
 AKSHAT KUMAR is a sincere and a hard working child. He follows instructions well and has shown a wonderful overall performance in all aspects. AKSHAT KUMAR loves to tackle new challenges eagerly and that too with a positive attitude. He loves to participate in small group discussions. He manages his feelings and emotions well in the class. He is always ready to help his classmates. He has had a terrific term and I am sure the next one will be even better!
